Dear Parent/Carers of Year 8 Students,

Re: Subject Selection 2020-2021

At the end of this year your daughter will complete her studies in Stage 4. An important part of commencing Stage 5, is the selection of elective subjects that your daughter will study for Years 9 and 10. To assist the students with the decisions that need to be made, you are invited to attend the **Year 9, 2020 Subject Selection Information Evening** to be held at the College on the evening of **Wednesday 3 July, commencing at 6.00 pm.**

This is an important meeting for all Year 8 students and their parents or carers as information regarding the New South Wales Education Authority (NESA) requirements for Stage 5. As well, the process and timeline for selecting subjects for study at St Clare's will be outlined.

Following this Information Session, parents and students will have the opportunity to ask questions and seek advice about the courses on offer. To assist with your queries, the Heads of Department and specialist teachers will be in attendance. An electronic copy of the Year 9 Subject Selection Handbook 2020-2021 will be sent in due course.

It is mandatory that all Year 8 students attend, in full school uniform. It is also expected that parents or carers will accompany their daughter as the information given is essential to making informed decisions about subject selection.

I look forward to meeting you and assisting you and your daughter with any enquiries. If in the meantime, you would like further information, please contact me at the College.

Yours sincerely,

Mr Christopher Maoudis
Director of Learning and Teaching

Kerrie McDiarmid
Deputy Principal
