Dear Parents/Carers,

Re: Texts and Resources 2021

In preparation for 2021 students can order their textbooks through publishing company Champion Books. Champion are the publishing supplier to the College and offer texts in both hard copy and electronic format. Families may have the option of ordering electronic texts, traditional hard copy texts or both. However, please be aware that some texts no longer come in a hard copy at all; this is a sign of the times as digital publishing becomes more prominent.

To obtain the book list, families should visit the Champion website www.champion.com.au click on "order now", sign in and enter the four digit code **MZ5P**. All ordering and payment is dealt directly through Champion and the College has no control over this. You can also access the order system via this direct link: <https://order.champion.com.au/index.html#homeView>.

Champion has now extended the ordering date until 16 December 2020 and this will ensure books are delivered ready for your daughter to begin to begin the 2021 academic year with the correct texts.

St Clare's will provide notification of the **Newman Stream** classes before the above deadline to ensure you are able to complete your textbook order should your daughter be placed in this class.

Should you or your daughter have a question regarding the ordering of books, please do not hesitate to contact Mr Chris Maoudis, Director of Learning and Teaching.

Yours sincerely,

Mr Christopher Maoudis
Director of Learning and Teaching

College Principal
